Data is not comparable to pre 2006 data due to reporting change to JCS system.

These data were obtained from the Office of the Administrator for the Courts, Sept. 2008

Differences in data entry practices among the juvenile courts may contribute to variations in the data. Not all juvenile courts utilize all categories.

The "No Decision" category is defined as a Juvenile Offender cases without a case resolution. The data is limited by an "as of" date to ensure consistency between years. If the offender case is not resolved by August of the year following the case filing year, it is included within the No Decision count. "No Decision" cases have been reported as a percentage of cases filed in the case filing year.
